Question:

Rúben Neves got substituted by Ronaldo in the 51ˢᵗ minute. Before leaving Rúben sent message to coach but it has some weird text written. Can you crack this message as early as possible so that Ronaldo can score winning goal for team?

Ronaldo came on as a substitute early in the second half with his team already losing. He replaced midfielder Rúben Neves in the 51st minute for his 196th international men's appearance, the most of all time along with Kuwait forward Badr Al-Mutawa. Ronaldo, playing in his fifth and likely final World Cup, had also been on the bench to start in the round of 16 against Switzerland, making appearance as a substitute.
